

**MICHIGAN
DEPARTMENT OF
TREASURY
MICROFICHE
RECORD**

The Michigan Department of Treasury (MDT) provides PLS with taxpayer address and identifying information on microfiche records. PLS has a library of microfiche records dating back to 1974. Form FIA-3687, Absent Parent Income Tax Record, is used by PLS to report data obtained from MDT microfiche records.

DESCRIPTION

<u>Item</u>	<u>Description</u>
Year	Year that taxpayer(s) filed.
Absent Parent Name	Name as it appears on microfiche.

Joint Return	A check mark in the box next to "yes" indicates that the payer filed a joint return. A check mark in the box next to "no" indicates that the payer filed an individual return.
Name of Spouse	Spouse's name if a joint return was filed.
Address	Street address, city and zip code of payer.
Social Security Number	Social security number of the primary tax filer. If a joint return was filed, the primary filer is the name listed first on the tax return.
Batch Code	Indicates the filing date (YMMDD); e.g., 4/27/98.
